DOUBLE TATTOO BOOTH RENTAL CONTRACT

Welcome to Tattoo Masquerade® 2017!

Please read all of the information detailed herein prior to executing and returning this contract.

I. TERMS & REQUIREMENTS

- All tattooing artists are required to pass gear inspection on Thursday evening (6/1/17) or Friday morning (6/2/17), prior to the start of the event. Failure to do so will result in a forfeiture of your Tattoo Booth reservation, without refund or recourse.
- You hereby understand that you are solely responsible for undergoing your own gear inspection, and agree that you will be present for said gear inspection at the times posted (TBD). You hereby acknowledge that you will not be allowed to enter your tattoo booth prior to receiving gear inspection approval.
- You must be present with your gear set-up in a “ready-to-work” fashion for inspection, and must meet all of Denver’s Department of Environmental Health requirements. Additionally, you must pay any applicable licensing fees related to the event (*i.e.*, temporary body artist fees, if applicable).
- Tattoo Masquerade® makes no claims and offers no guarantees as to event attendance. No painting, nailing, and/or use of thumbtacks is allowed on any of the Colorado Convention Center’s or Brede Exhibition Services’ surfaces. All boothholders are responsible for their booths and the space within a five-foot area from the outer perimeter of their booths.
- We strongly recommend the use of pre-sterilized and pre-packaged disposable tubes and needles.
- No sales of any tattoo equipment to non-licensed, non-certified individuals will be allowed at the event.
- No branding, piercing, or scarification is permitted on-site.

II. DENVER DEPARTMENT OF ENVIRONMENTAL HEALTH REQUIREMENTS

- ***Each tattoo artist must have a bloodborne pathogens (“BBP”) training certificate, valid through June 4, 2017 and issued by a Denver-approved BBP training program (please refer to the attached BBP Addendum for the list of approved Denver-approved BBP issuers; only valid BBPs provided by issuers on the Denver-approved list will be accepted, no exceptions).***
- Each tattoo artist must have a state-issued photo ID and either a Denver or Temporary Body Artist License, valid through June 4, 2017 (a Temporary Body Artist License application is attached herein).
- Each booth must maintain a written event exposure control plan and offer client release and aftercare forms.
- No food or drink are allowed in the tattoo booths at any time.
- Nobody under the age of 18 will be permitted to receive tattoo work at this event (***no exceptions***; regardless of state or local laws, any tattoo artist found tattooing anyone under the age of 18 will be ejected from the event and all booth fees will be forfeited).
- Client chairs and work tables must be wiped down with single-use, disposable, EPA-approved tuberculocidal wipes (such as those manufactured by Opti-Cide 3 and CaviCide1).
